## **Old business**

Yule, Dec 19: Fortune confirmed date with church. Will give Keeper awards, definitely, for sure.

Embroidery Schola, Feb. 20 @Camelot. Have budget. Approved. Teachers and classes are being scheduled.

Hafla, March 5. Perronnelle will confirm the church is available that day. Thyra organizing performers. Elena doing feast, Aleksei as minion.

Scribal Schola, May 14 or 21. Church in Worcester not answering calls or emails. Possibly @Camelot?

SJB: Date and price not confirmed, waiting to hear back. Need help and big measuring tape to figure out how much camping space is available. May need to take reservations for camping. Good day board but skipping feast - camp stoves and portable fire pits are allowed. Need better signage.

Next meeting, election for Seneschal, Webminister, seige, TW, archery. Must be active member to vote.

By-laws: No progress, will propose changes for out-of-area officers and send to email list for feedback.

## **New business**

Pondering Novice Schola for fall of next year. More solid plan next year.

Bids for Coronation due by Dec 1. Can ponder a bid depending on who wins, but good chance the winner will be local to here. Need to research Higgins Armory for future events.

Next meeting: Thursday, Nov. 12, 7pm.
